Some of Our Favorite Neighborhood Lunch Spots

We think you'll find a little something to satisfy everyone, at just about every budget. These are all within walking distance, and are generally able to provide lunch for you within one hour. Remember to visit the lovely garden at the Women's Health Building, where you are welcome to bring food back to, as well. See the map below for location.

Located on the first floor in the Mt Zion Hospital building, you'll want to be sure to browse around the Friend to Friend Gift Shop and the Ida Friend Cancer Resource Center. The Resource Center offers not only a comfortable, calming atmosphere, but also has a large selection of books for browsing, as well as for borrowing.
