

25th Annual UCSF Breast Oncology Program Scientific Retreat

Mission Bay Conference Center at UCSF

Thursday, February 20, 2020

8:00-8:30 *Atrium Registration and Breakfast*

8:30-5:00 *Fisher Hall*

8:30-8:35 Welcome and Introduction **Laura van 't Veer, PhD**

Influencers of breast tissue changes and status: histology and beyond (Moderator: Zena Werb, PhD)

8:35-8:45 Community Perspective **Carol Simmons**, Breast Science Advocacy Core

8:45-9:05 Facts of topic and pitch **Sam Aparicio, PhD**, University British Columbia, Vancouver, Canada

9:05-9:25 Facts of topic and pitch **Charlotte Kuperwasser, PhD**, Tufts University, Boston

9:25-9:35 Views and pitch **Jennifer Rosenbluth, MD, PhD**, Dana-Farber, Boston

9:35-9:45 Views and pitch **Johannes Schöneberg, PhD**, University of California Berkeley

9:45-10:00 Facts of topic and pitch **Thea Tlsty, PhD**, University of California San Francisco

10:00-10:20 Facts of topic and pitch **Valter Longo, PhD**, University of Southern California, Los Angeles

10:20-11:10 Speaker Panel and Discussion with Audience

11:10-11:30 *Break*

UCSF Science Hot Topics (Moderator: Alan Ashworth, PhD, FRS)

11:30-11:45 Integrated Cancer Cell Map, **Mehdi Bouhaddou, PhD**

11:45-12:00 Immune System Retaliation of Immuno-Oncology Drugs, **Maha Rahim, PhD**

12:00-12:15 Single Cell Heterogeneity and Drug Resistance, **Haley Donnell, PhD**

12:15-12:30 Cellular Senescence and Drug Resistance, **Jean Philippe Coppe, PhD**

12:30-1:30 *Lunch & poster interaction session*

Treatments from metastatic trials to primary disease and back (Moderator: Jo Chien, MD & Laura Esserman, MD, MBA)

1:30-1:45 Facts of topic and pitch **Hope Rugo, MD**, University of California San Francisco

1:45-2:05 Facts of topic and pitch **Lajos Pusztai, MD, DPhil**, Yale University, New Haven

2:05-2:25 Facts of topic and pitch **Julio Aguirre-Ghiso, PhD**, Mount Sinai, New York

2:25-2:35 Community Perspective **Stacey Tinianov**, Breast Science Advocacy Core

2:35-2:45 Views and pitch **Denise Wolf, PhD**, University of California San Francisco

2:45-2:55 Views and pitch **Karen Knudsen, PhD**, Sidney Kimmel Cancer Center, Philadelphia

2:55-3:05 Views and pitch **Andrei Goga, MD, PhD**, University of California San Francisco

3:05-3:35 Speaker Panel and Discussion with Audience

3:35-3:50 *Break*

Poster Discussion Session (Moderator: Mark Moasser, MD)

3:50-4:00 Detection and Biomarkers #5, **Mark Jesus Magbanua, PhD**

4:00-4:10 Epidemiology and Population Science #10 **Tessa Steenbruggen, MD**

4:10-4:20 Discussant and General Discussion, **Hani Goodarzi, PhD**

4:20-4:30 Molecular and Cellular Biology #4, **Julia Rohrberg, PhD**

4:30-4:40 Therapeutics and Clinical Trials #6, **Katharine Yu, Graduate Student**

4:40-4:50 Discussant and General Discussion, **Sourav Bandyopadhyay, PhD**

4:50-5:00 Poster Awards, Presented by **Diane Hughes** and **Kristen Demeduk** of the Tri Valley SOCKs

5:00-6:00 *Atrium Poster Session (Light refreshments and beverages will be served.)*

This retreat is supported in part by: an educational grant from the UCSF Helen Diller Family Comprehensive Cancer Center support grant (P30CA82103), Genentech, an educational grant from Daiichi Sankyo, Inc., Puma Biotechnology, Celgene, Merck & Co., and TerSera therapeutics.
