Organizations

The Children's Treehouse Foundation

The Children’s Treehouse Foundation partners with other cancer centers and programs like CLIMB® with programs to support children, teens, and the whole family. The mission is to ensure that every child whose parent (or caregiver) diagnosed with cancer is given the early tools and emotional support to cope. These tools are to help normalize children's feelings of sadness, anxiety, fear and anger. Programs like CLIMB® helps reduces stress and improves communication for parent and child. Pre-recorded videos are also available.
