

## UCSF APP Fellowship Personal Statement

Please address each of the following. Maximum of 250 words per question.

- 1) UCSF is committed to increasing diversity and promoting a culture of equal opportunity. Please describe your awareness of, or experience with, inequalities and challenges faced by historically underrepresented or economically disadvantaged groups. **How does your experience or background contribute to UCSF's commitment to increasing diversity and promoting a culture of equal opportunity?**
  
- 2) A philosophy of nursing is a statement that outlines a nurse's values, ethics, beliefs, and/or their motivation for being part of the profession. It covers a nurse's perspective regarding their education, practice, and patient care ethics. **Please describe one tenet that is central to your nursing philosophy and how you approach patient care.**
  
- 3) **Please describe your motivation for seeking training through the UCSF Cancer Services APP fellowship.** Consider: What has inspired your interest in pursuing a career in hematology and/or oncology? What do you hope to gain from the fellowship?
