The complete list of **Patient Education Resource Pages** is available to view at <http://cancer.ucsf.edu/support/crc/patient-education-resources>

## Publications

---

### Leukemia & Lymphoma Society Education Resources

LLS provides excellent patient education materials, videos, webcasts, and drug information, as well as books on caregiving. Materials can be ordered for free or viewed online. (Available in various foreign languages.)

[www.lls.org/education-resources](http://www.lls.org/education-resources)

More patient education publications can be found at:

#### **American Cancer Society**

[www.cancer.org](http://www.cancer.org)

#### **National Cancer Institute**

[www.cancer.gov](http://www.cancer.gov)

## Organizations

---

### International Myeloma Foundation

IMF provides detailed information about diagnosis and treatments, as well as a hotline. The website contains forums and blogs, videos, as well as information about support services, advocacy and gatherings.

[www.myeloma.org](http://www.myeloma.org)

1-800-452-2873

### Leukemia & Lymphoma Society

LLS is a primary source of information for patients. Services include excellent educational information, support groups, telephone/web seminars, discussion boards, and a copay assistance program.

[www.lls.org](http://www.lls.org)

1-800-955-4572

### Lymphoma Research Foundation

LRF offers a variety of patient services, information about diagnosis, treatments, and current research; patient stories, and opportunities for advocacy.

[www.lymphoma.org](http://www.lymphoma.org)

1-800-500-9976

## **Multiple Myeloma Research Foundation**

MMRF advocates for newer and better treatments. Patient support is available in the form of a “call the nurse” line. The website offers education, information about research, and links to various resources including financial assistance.
