The complete list of “Coping with Cancer” resources are available to view at http://cancer.ucsf.edu/support/crc/patient-education-resources

UCSF Resources

UCSF Oncology Social Work
Social workers are available to see patients and family members in real time, in follow-up visits and even by phone as needed. They are often consulted for help in these areas: Adjustment to diagnosis and treatment; new diagnosis/recurrence, situational depression and anxiety, impact of cancer on patient’s family and caregivers, discussing illness and treatment with children, coping with advanced cancer and facing uncertainty and impact of cancer on work, school and finances.
