Organizations

Hope for Two...The Pregnant Cancer Network

Provides support and information for women faced with a cancer diagnosis while pregnant. The website offers stories, an opportunity to communicate with other women in the same situation, and newsletters.

Website: www.hopefortwo.org Phone Number: 800-743-4471

Leukemia & Lymphoma Society: Fertility

Website: <https://www.lls.org/managing-your-cancer/fertility>

Livestrong Fertility

Provides information to help think about parenthood options before, during and after cancer. Information about risks for both men and women, preservation options, resources, and toll-free line to speak with a navigator.

Website: <https://www.livestrong.org/what-we-do/program/fertility>

Phone Number: 855-844-7777

SaveMyFertility

Patient education resources for patients, parents and partners, including animations and videos. Pocket Guides help you to learn about options and to prepare questions for your doctor. Guides are also in Spanish, Chinese, and Thai. Supported by the Oncofertility Consortium at Northwestern University.

Website: <http://www.savemyfertility.org> Phone Number: 312-503-2504

The Oncofertility Consortium at Northwestern University

A national, interdisciplinary initiative designed to explore the reproductive future of cancer survivors. Patient services include an information line.

Website: <http://oncofertility.northwestern.edu> Phone Number: 866-708-3378

National LGBT Cancer Network

The National LGBT Cancer Network works to improve the lives of LGBT cancer survivors and those at risk by: EDUCATING the LGBT community about our increased cancer risks and the importance of screening and early detection; TRAINING health care providers to offer more culturally-competent, safe and welcoming care; and ADVOCATING for LGBT survivors in mainstream cancer organizations, the media and research.
