Organizations

Beyond Conventional Cancer Therapies

BCCT explores the best complementary and integrative approaches to cancer.
<https://bcct.ngo>

CanHEAL (Cancer Health Empowerment, Assistance, and Learning)

CanHEAL is a program of the University of Arizona Andrew Weil Center for Integrative Medicine. It houses a “toolkit” which organizes and links to resources from around the web related to all aspects of cancer and integrative medicine. (Note that in order to access this you need to create a free account.)

<https://integrativemedicine.arizona.edu>

National Cancer Institute – Office of Cancer Complementary and Alternative Medicine

OCCAM is responsible for NCI’s research agenda in complementary and alternative medicine (CAM) as it relates to cancer.

<http://cam.cancer.gov>

1-800-422-6237

National Center for Complementary and Integrative Health

NCCIH is part of the National Institutes of Health. They offer explanations of various complementary and integrative treatments, an A-Z topics list, and safety guidelines.

<https://nccih.nih.gov>

1-888-644-6226

Society for Integrative Oncology

SIO advances evidence-based integrative healthcare to improve the lives of people living with cancer.
