

Patient Education Resources from UCSF Comprehensive Cancer Center

UCSF Helen Diller Family
Comprehensive
Cancer Center

Online Communities

The **UCSF Cancer Resource Center** is the hub of support, information and resources for people with cancer at the **Helen Diller Family Comprehensive Cancer Center**. You are invited to visit the Cancer Resource Center at 1600 Divisadero St., Suite B-101, just past the Gift Shop. Learn more about UCSF's supportive care programs at www.cancer.ucsf.edu/crc.

The **Cancer Resource Center at Mission Bay** is located in the 4th floor lobby of the Gateway Medical Building at 1825 4th St.

The complete list of **Patient Education Resource Pages** is available to view at <http://cancer.ucsf.edu/support/crc/patient-education-resources>

The **Fishbon Library** connects patients and families with trusted health information. <https://fishbon.ucsfmedicalcenter.org>

Websites

American Cancer Society – Cancer Survivors Network

CSN is an online community by and for people with cancer and their families. Patients can share information, post photos, blog, and more. Find and connect with others through member searches, discussion boards, chat rooms, and private email.

<http://csn.cancer.org>

1-800-227-2345

Caring Bridge

Allows you to start a website for yourself or a loved one to get or give support, share news, and stay connected.

www.caringbridge.org

1-651-789-2300

healtheo360

healtheo360 is a caring community for patients with chronic conditions, their caregivers, family members and friends to share their stories of inspiration, motivation and support.

www.healtheo360.com

Lotsa Helping Hands

Provides a tool to create your own support community. You can sign up as a patient or as a caregiver. Using this tool makes it easy for each person to know what to do and when in order to help. Includes a calendar to schedule and sign up for tasks, as well as a way to keep loved ones informed about your progress and to receive well wishes from them.

www.lotsahelpinghands.com

MyLifeLine.org

Patients and caregivers can build an online support community of existing family and friends through a free, personalized website. Patients can share their cancer journey, get support, and focus on healing.

www.cancer.org/treatment/support-programs-and-services/online-communities/mylifelineorg.html

The Patient Story

Learn about various cancer experiences told directly by patients and caregivers who have been through cancer treatment.

www.thepatientstory.com

Vital Options International

The VOI Board of Directors has established the **Selma Schimmel Vital Grant**, a monetary gift distributed to qualified patients. The grant program will assist those facing a significant financial hardship due to the diagnosis of a chronic condition, including cancer

www.vitaloptions.org

WhatNext

WhatNext is a social network developed in part with the American Cancer Society to help cancer patients, survivors, and caregivers gain firsthand insight into living with cancer and connect with others facing a similar diagnosis.
